

THE SUPERHERO Tooth Fairies™

Create a Girl Tooth Fairy

1. Color your fairy.
2. Cut out the fairy along the dotted lines.
3. Cut out the rectangular stand.
4. Tape the ends of the stand together to form a circle.
5. Glue or tape the fairy's legs to the circle. Position the tips of her feet slightly below the bottom of the circular stand.
6. Place the fairy in your home.
